

Certificate of Analysis

Product No.: CK 1759	Lot No.: 83560	September 30, 2024	Edition No. 01
----------------------	----------------	--------------------	----------------

Structural formula:

Name : 4,4-Diethoxybutanenitrile

CAS RN : 18381-45-8

Molecular Formula : C₈H₁₅NO₂

Molecular Weight : 157.2

Storage : Room temperature

Manufacturing Date : September 27, 2024

Analysis Date : September 30, 2024

Test	Specification	Found
Appearance (Form)	Liquid	Complies
Appearance (Colour)	Colourless to yellow	Colourless
Identification (¹ H-NMR)	Consistent with structure	Complies
Purity (GC area%)	≥ 97.0%	98.9%
Water Content (KF)	Report the result	0.03%

For research purposes only. Not for human use.
